

WARNING

- Ensure the assembly area is flat, clean, and free of clutter to prevent loss or damage to components.
- Keep children and pets away from the assembly area, as small parts may pose a choking or safety hazard.
- Consider wearing gloves to protect against sharp edges and improve grip when handling screws.
- Do not force, hammer, bend, or modify metal parts, as this may compromise structural integrity.
- Follow the assembly steps in the order provided. Do not skip or rearrange steps.
- Keep all screws loosely fitted during assembly, and tighten them only after all parts are properly aligned.
- Inspect to ensure all screws are securely tightened and the chair is stable.
- Do not stand on the table or use it as a stepping stool or ladder.
- Do not stand on the chair or use it as a stepping stool or ladder.
- Do not exceed the weight limit: Max load capacity per chair 365 lb, max load capacity of tabletop 165 lb. Standing on the table or chairs is prohibited.
- Elderly or mobility-impaired users should be assisted when sitting down or standing up.
- Children should be supervised by an adult and must not jump, rock, or swing on the chair.
- Pregnant users are advised to hold onto a stable support when rising from this fixed-height steel plate chair.
- If any part is missing, damaged, deformed, or worn, discontinue use immediately and contact customer service for genuine replacement parts.
- If you have questions during assembly or use, please contact our customer service team for assistance.
